

Native Butterfly Legend

*If anyone desires a wish to come true
they must first capture a butterfly
and whisper that wish to it.*

*Since a butterfly can make no sound,
the butterfly can not reveal
the wish to anyone but
The Great Spirit
who hears and sees all.*

*In gratitude for giving the beautiful
butterfly its freedom,
the Great Spirit always
grants the wish.*

*So, by making a wish
and giving the butterfly its freedom,
the wish will be taken to
the heavens and be granted.*
